

## First Snow Strikes Sierra To Relieve Long Dry Season

### Sudden Storm Leaves Only Three Inches Of Snow In Truckee

The long dry spell in this area ended Saturday when a sudden and unexpected storm swept in across the Sierra and deposited three inches of snow in Truckee, eight inches at Squaw Valley and nearly a foot on Donner Summit.

Because of the international interest in Squaw Valley, the storm made headlines all over the world as it was the first snow of the season and game organizers were becoming worried.

The storm resulted in scores of minor and one major vehicle accident in the area as many motorists were caught unaware and were without skid chains.

Henry Toccalini of the U. S. Forest Service reported the three inches of snow here held an .28 of an inch of precipitation but it was sufficient to end the current fire danger and the lookouts throughout the area were taken from their posts Saturday.

Cold weather accompanied the storm and the temperature dropped to 8 above. The warmest day of the week was Sunday with 50 recorded.

While the storm did not provide skiing at Squaw Valley it brought joy to the region after an 84-day drought.

For the first time in history, cloud seeding to increase the precipitation was put into operation by the firms of Dr. Irving Kirk, weather engineer for the Olympics. Whether this had any effect on the fall is questionable and many believe it had no more to do with the storm than the dancing of Chief Winnemucca and his braves.

## Friends Asked To Aid In Blood Bank

Bill Strickland widely known resident of the Soda Springs area, prominent ski expert and sports writer for the Sierra Sun, was scheduled to undergo a major operation on his heart at the Veterans Administration Hospital in Minneapolis this week.

The surgery is the open heart type and considered one of the most delicate of operations. As a matter of fact only a limited number of surgeons are qualified and that was the reason Strickland was transferred from the Vets hospital at Reno to the eastern institution.

As a result of the surgery, 35 pints of blood will be required and an appeal is being made by the American Legion Post on Donner Summit of which Strickland was an active member and past commander, to his friends and associate in the area to make the donations necessary.

This blood may be deposited with the Vets hospital at Reno in the name of Strickland.

Also vitally interested in Strickland's welfare and in obtaining the necessary 35 pints of fresh whole blood are the Winter Sports Writers' Association of Northern California and Nevada, of which the ill man was a valued and active member.

Donors are urged to notify the blood bank that the donation is for Strickland and the hospital in Minneapolis will credit each one with their donation.

On Donner Summit, Elmo Moriano of Beacon Hill Lodge, service officer for the American Legion is backing the drive.

## FIRETTES PARTY IS SET FOR SATURDAY

The Truckee Fire-ettes are completing preparations for the children's Christmas party to be given at 2 p. m. Saturday, December 19 in the Donner Theater.

The affair is for pre-school and children the sixth grade who will view cartoons and receive a gift from Santa and his helpers.

## NORTH TAHOE YULE PARTY ON SATURDAY

KINGS BEACH—Everyone is getting ready for the North Tahoe Christmas party Saturday, December 19, to begin at 1 p. m. on Bracsee Ave. at the Big Tree in Kings Beach, for children up to the third grade.

A second group from the third to sixth grades will be entertained at the same hour in the Brockway Theater.

## BUDDY WERNER OUT OF 1960 OLYMPICS

America's hopes of capturing the skiing honors at the 1960 Olympic Winter Games were given a blow Saturday when Wallace (Buddy) Werner, 23, broke his leg while skiing in the Aspen, Colo., area.

Doctors said there was no possibility that Werner would be able to compete in the games at Squaw Valley in February.

## Emblem Club To Institute At Meet At Tahoe Sunday

KINGS BEACH—Institution of the newly formed Lake Tahoe Sierra Emblem Club No. 347 will be held December 20 at 3 p. m. at the Nevada Lodge, Crystal Bay.

Installation of officers elected will also take place at this time, with all members being properly initiated.

Prime rib dinner will be served following the cocktail hour which is right after the program. The public is welcome to attend the whole affair.

The slate of officers elected and their offices are as follows: Mrs. Gordon Brown, president; Mrs. Allan Calhoun, vice president; Mrs. d'Elston Garraw, financial secretary; Mrs. Jack Farris, treasurer; Mrs. Robert Fugazi, recording secretary; Mrs. Carl Becholdt, sr., corresponding secretary; Mrs. Charles Henrikson, chairman trustee; Mrs. Enrico Giannini, second trustee; Mrs. Earl Gray, third trustee.

Mrs. ay Gharn, fourth trustee; Mrs. Major Jones, fifth trustee; Mrs. John Robinson, marshal; Mrs. Charles Platek, first assistant marshal; Mrs. Essie Loehner, second assistant marshal; Mrs. Bud Meixner, chaplain; Mrs. Pete Vanni, organist; Mrs. Marshall Rukhala, press correspondent; Mrs. Claire McKone, historian; Mrs. Tony Donadio, first guard; Mrs. Herbert Neidig, second guard.

## Two Knights Are Honored In Meet

Two veteran members of Summit Lodge No. 54, Knights of Pythias, were signally honored at a banquet held at Smart's Saturday evening when they were given their 50-year jewels.

The recipients of the honor were William Englehart, Sr. of Truckee and Nick Spikulo of Oakland. Another honored guest at the meeting was District Deputy Grand Chancellor Al Fippin of Major District No. 1 of Sacramento.

The dinner was attended by more than 40 members, their wives and guests. Charles R. Heller is the chancellor.

## PANEL DISCUSSION IS FEATURE OF PTA

The Tahoe Truckee PTA meeting, held December 10 at the high school, featured a panel of students from Eugene Goodrich's American Problems class. Members of the panel were: Doug Ball, Lydia Craig, Judy Fanger, Larry Jellin, Linda Morrell, Mitchel Terkildsen and Sherry Thatcher. They discussed the possibilities of the twelve month school year.

The panel presented several plans, and led a lively discussion which included the parents and teachers present. They came to no unanimous conclusions.

Following the discussion, the meeting adjourned to the home economics department of the school to enjoy unusual refreshments made by students in Mrs. Earle Smith's classes, and to see the decorations and Christmas gift display made by these girls.

Committee chairmen in charge of the various features were: Sheri Curran, Diane McGihon, Margie Pearson, and Ellen Rich.

## LICENSE RENEWAL AT OFFICE NEXT MONTH

Registration and license renewal will be held at the Truckee office of the department of motor vehicles starting January 4, Richard Paddock, clerk in charge, announced.

The office, aside from the usual office hours, will be open each Saturday after the 4th between 8 a. m. and noon to accommodate those who can not get in on the regular week days, Paddock said. Paddock asked that vehicle owners come in early to avoid the rush and confusion during the final days of the renewal period.

## ERROR IN AD GIVES WRONG HAM PRICE

Armour's ham shank halves this week at Z Market are 45 cents a pound instead of 49 cents a pound as shown in the advertisement on page 3 and the whole or butt ham is 49 cents a pound instead of the reversed 45 cents a pound. Each is a good buy for your family's table.

## Hoopster Win In Quincy Game For First 1959 Victory

### Teams Go To Sparks On Friday To Meet The Railroaders

By ANDY BAUMGARDNER  
Tromping an up and down Quincy quintet to the tune of 64-33, the Tahoe Truckee basketballers rolled to their first win of the current campaign last Friday in the local gym.

The Quincy Trojans, playing their first game of the season, were unable to cope with the aggressive full-court press thrown at them by the vastly improved Wolverines who were equally subdued the week before by a tall, poised Sparks outfit 78-38.

Quincy led off the first quarter by taking a 5-3 lead after four minutes of play on field goals by Corky Erickson and Larry Boyd and a free throw by the former. Then LeRoy Ryser, TNT forward, knotted the court with a jump shot and the defense took over, stealing passes, grabbing loose balls, and taking advantage of other numerous Quincy mental errors. Within the following minute of play, Sam Medford's 5 counters started the ball rolling, and the Wolverines piled up a 15-10 first quarter lead.

The second canto was even more of a rout as Ryser warmed up and potted three field goals and two free throws to lead the local's fast-breaking attack. By the time the half time was reached, Tahoe Truckee walked off the floor with a respectable 34-19 advantage tucked neatly into their hip pocket.

The visiting Trojans were a fired up crew after the intermission as

## LAKE SKI CLUB WILL HOLD MEET TODAY

TAHOE CITY—An open general meeting of the Lake Tahoe Ski Club is scheduled for Thursday December 17, 8 p. m. above the post office in Tahoe City, for the purpose of electing officers and explaining the skiing program for the current season. The Lake Tahoe Ski Club has been reactivated and is hosting the Olympic games along with Sugar Bowl, Heavenly Valley and Reno Ski Clubs.

In the general meeting presided over by Dave McBride Friday, December 11, Bill Briner who has just returned from Aspen, Colorado reported that Jimmie Heuga skiing with the Alpine Training Squad there is doing well.

The Lake Tahoe Ski Club board of directors met Wednesday night, December 16 and has a nominating committee report to present to the open meeting Friday, December 18. Refreshments will be served and members of past years are especially urged to be present. This is a meeting for adults only.

## TWO-PART PROGRAM FOR TAHOE CHILDREN

TAHOE CITY—Because of the increased enrollment the Tahoe Lake School Christmas program will be presented in two parts.

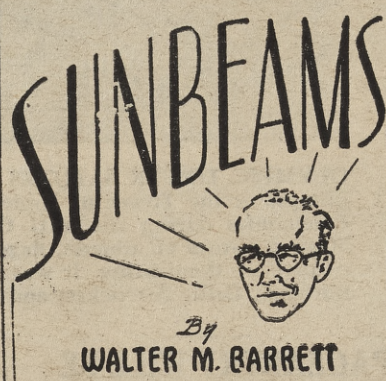

Kindergarten through the fifth grades will have their program on Monday, December 21, at 8 p. m. The sixth, seventh, and eighth grades will hold their program on Tuesday, December 22 at 8 p. m. All parents are invited to attend the program of their choice. The School Choir will carol on Thursday, December 17.

## CHRISTMAS FETE IS PLANNED ON FRIDAY

Friday, December 18 at 3:30 in the afternoon is the date of the Christmas program to be given at the Assumption Church hall directed by the Holy Sisters of Reno. This will be the Nativity Scene put on by the children of the parish. The sisters, Father O'Neill and Father Mulligan cordially invite all the parents and friends to attend.

## VETS OFFICER WILL BE HERE ON FRIDAY

The Nevada County Veteran's Service officer will be in Truckee tomorrow between 10 a. m. and 3 p. m. Anyone desiring to avail themselves of these services may do so at the office of Judge Foster W. Wilson, justice court, during the hours indicated.

The holidays are just ahead and with them the most dangerous driving time of the year. Much of this danger can be eliminated if everyone will acquaint himself with the laws and drive accordingly. The California Highway Patrol has issued a "fact sheet" which shows that 53 people were killed during a 102 hour period at Christmas last year and 42 killed in traffic accidents during the same period at New Years—a total of 95 lives lost needlessly. The same report shows that during the two holidays, the patrol arrested 575 drivers for being drunk and issued 26,607 moving violation citations. These startling facts and facts which should certainly be remembered by everyone driving. The "fact sheet" shows further that 20.9 per cent of all reportable traffic accidents involved drivers who had been drinking and that 26.3 per cent of all fatal accidents involved drinking drivers. Last year the patrol arrested 13,103 drivers who were under the influence of alcohol. More than 1,000 persons were killed in traffic accidents last year in which one or more drivers had been drinking, an increase of 5.3 per cent over 1957. These are good things to remember as the holiday season approaches.

## Bids Requested To Build Boca Camp

Invitation for bids have been issued for the construction of a trailer camp at Boca to house government employees to be engaged in construction of the Prosser Creek dam. The bid opening will be held on January 12 at 2 p. m. in the office of the Bureau of Reclamation, Carson City.

The specification for this work calls for construction of the necessary water, sewage and other facilities to accommodate a trailer camp consisting of 20 trailer units, and a utility building for toilet and laundry facilities.

Interested contractors may obtain information and specifications from the office of the Bureau of Reclamation in Carson City and Sacramento.

## BIRTHDATES FETED BY LOCAL FAMILIES

Birthdates observed this month included Karen Walker who was entertained, with several young friends by her parents, Mr. and Mrs. James Walker December 11 at a dessert and theater party. Gifts were opened and the Christmas idea was used at the refreshment table.

Six candles topped the special cake for Denise Clepper who was feted by her mother, Mrs. Vina Clepper, Sunday afternoon. Games were played by the small guests and gifts were opened by the small honoree before dessert was served. Marcia Leamon assisted the hostess.

Young Justus Spillner was the center of a family party at the home of his parents, Mr. and Mrs. Charles Spillner on his birthday, early in the month.

## CONGRESSMAN WILL VISIT SQUAW VALLEY

Representative Gerald R. Ford, Jr., of Michigan, a member of the house appropriations committee, will make a visit and inspection of the Squaw Valley facilities tomorrow morning at 9:30.

The congressman is flying to Stead Air Force Base and will be escorted to the valley by Colonel Bernard, base commander, and will be taken on the tour by Colonel Arley Hayman, who is in charge of the military personnel at the site of the 1960 Olympic Winter Games.

## Answers Call—

George Decker, son of Mrs. Ellen Russell of Crystal Bay, Nevada joined the U. S. Marine Corps in Sacramento. Decker is a former student of the local high school.

## Traffic Far Ahead Of Last Year As 40 In 2nd Position

### Travel For November Was Nearly Double That Of Year Ago

Traffic into California by way of the Truckee quarantine station showed a drop of approximately 18,000 cars last month as compared to October, but this port of entry was still in second place among the state's 18 stations, exceeded only by Yermo.

There were 60,413 cars, 3,982 trucks and 777 buses checked at the Truckee station last month with 159,070 passengers.

During November last year there were only 35,931 cars checked locally, this year being nearly double.

At Meyers on Highway 50, 9,509 cars, 403 trucks and 36 buses, with a total passenger count of 24,769, were checked, the monthly report from the department of agriculture shows.

During the month, a total of 920,713 persons in 205,988 California automobiles, 130,594 out-of-state cars and 3,592 buses passed the department's border checking stations. This compared to 779,687 persons in 163,532 California vehicles, 119,287 out-of-state vehicles and 3,250 buses a year ago.

## Opening Of Local Station Delayed

Due to the unforeseen circumstances and because of the sudden storm last week, the California Department of Agriculture's quarantine station on the new freeway west of Truckee was not opened yesterday as previously announced.

Instead, according to Robert Roth, in charge of the local station, the facility will not be opened until the end of this month, probably around January 1.

In the meantime west bound traffic is still being diverted in Truckee and routed through the old quarantine station which will be kept activated even after the new one is placed in service.

Roth will be in charge of both stations and an additional four man crew will be added to the present staff of 11.

## TRUCKEE WOMAN IS HURT IN ACCIDENT

Mrs. Robert I. Moore is recovering at her home from injuries received in an automobile collision in Reno Thursday evening at 7:30.

According to the report, Moore, who was driving the jeep was proceeding down Fourth Street when a car driven by Paul Williams, a Reno contractor, made a left turn and the two cars collided headon.

Mrs. Moore was taken to the hospital with severe cuts about her face and nearly lost one eye. Moore was shaken up but resumed his work at Osburn's Parts House.

## FRANCIS TORRI DIES FROM AUTO HURTS

Funeral services were held at Portola for Francis Torri, 32 of Sierraville who died December 3 at Reno, of injuries sustained in an automobile collision, November 25 near Vinton, California.

The deceased was the husband of the former Helen Copeland of Truckee and is also survived by his children and parents of Sierraville.

Torri was a passenger in a pickup truck driven by Don Oberg of Sierraville which collided with a car driven by Thomas Osborn of Chico.

## JURY SELECTED FOR TRIAL OF McDANIEL

Selection of a jury was completed in the Nevada County Superior Court Tuesday morning for the trial of Robert Homer McDaniel, of Truckee, who is being charged with the statutory rape of his step-daughter.

McDaniel was arrested in Key West, Florida, and extradited to stand trial.

Defending attorney Robert Fugazi and Prosecutor Harold Bernard were both satisfied with the juryman after less than two hours of questioning of prospective jurors.

## Ski Togs Stolen In Robbery Of Store At Squaw Valley

Merchandise valued at more than \$3600 was stolen from the Village Store at Squaw Valley this week.

Jack Starratt, the owner, said that in all probability, the thief or thieves were concealed inside the store at closing time and were locked in.

The culprits escaped by breaking the glass in the lobby and going out a back door.

The loot consisted of ski clothing, boots, parkas and sweaters. The Placer County sheriff's office was notified immediately and are investigating.

## Local Cadets Visit Survival Station

Cadets from Tahoe Truckee High School attended the U. S. Air Force survival school, near Onion Valley, December 11, 12 and 13. The survival school is maintained for the purpose of training flying personnel to survive and reach aid, if forced down in remote areas. The cadets attended a special class which extended over the three-day period.

On the first day, the cadets were assigned to para-teepees (tents made of parachutes). They were instructed in the care and use of survival tools, hand axe, knife and shovel. They learned that the parachute is invaluable in survival as from it can be made shelters, clothing, rope, fishing gear, bedding, signals and many other items.

A demonstration of curing meat by making a smoke house of parachute parts was also given. Forest fire prevention was stressed throughout the course.

On the second day, self-aid and first aid instruction were given. This was followed by demonstrations of trapping methods. In the afternoon, fundamentals of navigation were presented, including use of the compass, map-reading and triangulation.

On the third day, the navigation was put to use on a three-mile hike. At the end of this trek, a demonstration was given in the making of emergency snowshoes.

Cadets attending this course were: Rich Brown, Brian Calhoun, Rod Derting, Larry Gillman, Barry Leamon, Larry Mandeville, Mike McMahon, Nick Stone, Leo Stromer and John Wirta. They were accompanied by Cadet Instructor Virgil Mullis and George Wurst, local game manager for the state department of fish and game.

## LUISA SCIUTTO GETS UNIVERSITY HONORS

Luisa Delight Sciutto of Truckee an entering freshman student at the University of California, Berkeley, has been presented an honors at entrance award by the university, the committee on undergraduate scholarships has announced.

The honors at entrance awards, in the form of certificates, are given to students with outstanding high school records in anticipation of distinguished performance in college. Approximately the top ten to fifteen per cent of entering freshmen qualify, the university committee said.

Miss Sciutto is the daughter of Mr. and Mrs. C. W. Sciutto, the former principal at the Tahoe Truckee High School.

## TREE CUTTER FINED IN COURT AT LAKE

Kenneth Lee Johnson of Tahoe City was fined \$100 December 15 in Judge Harry Charrison's court in Tahoe City and also paid damage to the Lake Tahoe Gold Mining Co., in the amount of \$150, when he was found guilty of cutting and removing Christmas trees without written permit from the landowner and failing to file notarized copies with the local constable and forest service.

Investigation of the incident was made by the Tahoe Cooperative Christmas Tree Patrol.

Party Given—Mrs. Jack Neugebauer was hostess Friday evening to a group of friends at a pre-Christmas party. Gifts were given from a lighted tree and cards occupied the guests.

Burns Here—Mr. and Mrs. Chet Burns of Grass Valley were recent visitors with local friends.

## Local Postmaster Critically Hurt In Highway Accident

### First Storm Believed Cause Of Highway Mishap At Farad

BULLETIN  
Reports from the Tahoe Forest Hospital this morning were to the effect that the condition of Mrs. Elizabeth C. Bavier has not changed since she reached the hospital but that everything possible is being done to speed her recovery.

Mrs. Elizabeth C. Bavier, Truckee postmaster for the past 25 years, suffered critical injuries Saturday afternoon about 3:30 when her car plunged off the freeway at Farad and dropped down a 20-foot embankment.

Mrs. Bavier suffered critical head and chest injuries and she is at the Tahoe Forest Hospital.

While there is no definite announcement as to what caused the accident, officers of the California Highway Patrol presume that the sudden snow storm which blanketed the area caused the car to skid and perhaps the driver was blinded by the driving snow.

The car went off at the Farad underpass as Mrs. Bavier was driving toward Truckee following a visit to Reno. The car was completely demolished.

The victim was involved in an accident 25 years ago near Rampart on the Tahoe road when a car driven by her late husband, Stanley Bavier, was forced off the highway by another car. Bavier was fatally injured at the time and Mrs. Bavier suffered injuries. Bavier was then the editor of the Sierra Sun and Truckee Republican.

### OTHER ACCIDENTS

Although there were scores of other minor vehicle accidents resulting from the slippery highways and poor visibility, the highway patrol reported only five reportable mishaps.

Many snow stakes and highway signs were knocked down as scores of cars, many without chains, skidded off the highway all along the roadway between Reno and Baxter.

## Carl Buek Rites Held At Oakland

Last rites were held Saturday afternoon at 1:30 o'clock in the Mosswood Chapel of Albert Engel and Company in Oakland for Carl Buek, 55, prominent and well known resident of the Soda Springs area, who expired following a long illness last Wednesday.

A native of Brooklyn, New York, Buek for many years had lived on Donner Summit where he operated the popular Buek Ski Shop at Soda Springs. He was taken ill early this year and had been in an Oakland hospital for the past several months.

The deceased is survived by his wife, Mrs. Gladys Buek and a daughter Mrs. Jean Williams of Reno. He was the father of the late Richard C. Buek, nationally known skier, killed a few years ago in a tragic airplane accident at Donner Lake. He leaves a sister, Mrs. Elsie Barnum and two brothers, Herman and Walter Buek.

Buek was an enthusiastic supporter of all winter sports and will be greatly missed by his legion of friends who will join in extending sympathy to the family.

## ROGERS QUESTIONS SQUAW VALLEY PARK

Will Rogers, Jr., a member of the state park commission, told the assembly ways and means committee at Sacramento this week that he didn't want to get into the "squalid squabbles of Squaw Valley," but that he didn't think the state should operate a state park there.

Rogers said that money taken to operate Squaw Valley would be taken from other areas of the park system "that desperately need it." He said he questioned whether the state should operate a winter park.

He told the committee that the meeting with the California Olympic Commission last week resulted in "nothing."

## LAKE CHURCH WILL HAVE PLAY FRIDAY

KINGS BEACH—The players of the Community Methodist Church in Kings Beach are presenting a production of Stephen Vincent Benet's play, "A Child Is Born" Friday night, December 18 at 8:15 p. m. in the sanctuary of the church.

This play was originally produced with Alfred Lunt and Lynn Fontanne in the leading roles, and was later revived with Phillip Marivate and Helen Hayes.

It will feature Joy Plunkett, Dr. Marvin Schwartz, Marian Johnson, Dona Stumbo, Marguerite Ashton, and Rev. Languth. Everyone is invited to attend this adult Christmas drama.

The black bamboo of China and Japan grows to a height of ten to 12 feet in Stryling Arboretum in San Francisco's Golden Gate Park.

Ano Nuevo, the name of a promontory on the San Mateo coast, is one of the oldest place-names in the United States, having been given by Sebastian Vizcaino January 3, 1603.

**OLYMPIC TOWER SALUTES PARTICIPATING NATIONS**—This artist's conception offers a glimpse of the Tower of Nations ceremonial area, locale of the Opening, Closing and Victory Ceremonies during the VIII Olympic Winter Games, Squaw Valley, Calif., Feb. 18-28, 1960. Massive statues of athletes, flags of participating nations, and the familiar multi-ringed Olympic symbol are dominating. It was designed by the Pageantry Committee at Walt Disney Studios in Burbank, Calif. For tickets and housing write Olympic Winter Games, San Francisco, Calif.

### PAGEANTRY WILL BE BIG FEATURE FOR GAMES IN VALLEY

**SQUAW VALLEY**—The fanfare of trumpets resounds through the snow covered mountains. A hush falls over the crowd of 35,000 spectators in this natural amphitheater, perched close to the sky in California's High Sierra range.

There is a flutter of wings and 2,000 pigeons, symbolizing doves of peace, flutter skyward. A booming three-gun salute echoes from the hills.

All eyes are fixed on "Little Papoose" peak. Then, streaking out of the clearing and down the mountain side, her skis kicking up a "roostertail" snow spray, comes Anrea Mead Lawrence bearing the sacred Olympic flame.

This is part of the thrilling drama, which will unfold during the VIII Olympic Winter Games here February 18-28.

Heading the pageantry committee is film producer Walt Disney. His staff has been working almost a year, dreaming up the most elaborate and colorful winter panorama ever seen in the games' history.

One of the largest bands and choruses ever assembled will perform at the opening and closing ceremonies. There'll be 1,285 instrumentalists and a choir of 2,645 voices. Including the athletes and others, plans call for more than 5,000 participants in these ceremonies.

With so many firsts planned for the 1960 Games, Disney's staff promises the most spectacular staging ever seen at the international event.

Daytime fireworks will be utilized for ceremonies for the first time in games' history, according to Tommy Walker, a spokesman for Disney.

Walker explained that the fireworks, while spectacular in themselves, will be used primarily to propel into the sky various flags, banners, pennants, and other surprises cooked up for the festivities.

Some 20,000 balloons of many different colors are to be released during this glittering spectacle.

Another imposing sight will be the Tower of Nations. This is an open steel concave frame 79 feet high and 2 feet wide, located in the ceremonial area, which adjoins the 40-meter speed skating oval. The tower will be bracketed by a semi-circle of flags of the competing nations.

The structure will have aluminum crests, each 5 feet wide and 6 feet high suspended from the grids of the frame. On top will be the five metal Olympic rings, emblematic of the Games.

Playing at the daily awards presentations, with all the pomp and ceremony attending this ritual, will be the U. S. Marine Band from Washington, D. C. This top

flight musical organization is the one utilized for important Washington functions and is called "The President's Own."

The entire site will be decorated extensively in a winter sports theme. Sure to attract attention is the "Salute to the Athletes of the World." This will be in the form of unique "snow and ice" statues lining the Avenue of Athletes. They'll tower some 16 feet and depict skiers, ice skaters jumpers and other participants.

Though playing a hidden part for most of the spectators, some 600 high school athletes will run the torch from Los Angeles to Squaw Valley after the flame arrives by airplane from Greece.

The relay runners will pass through most of the larger California towns and cities. Their job ends as the last runner passes the torch to Mrs. Lawrence.

After her descent, she'll hand the torch to a speed skater at the 400-meter ice rink. He'll circle the track once, salute the Tribune of Honor, and then the flame will be placed on the tripod to burn during the entire Games.

Chimes will ring from the mountain, bands will play "God of our

if you wash clothes electrically . . .

dry 'em electrically, too!

Electricity—the magic servant—can help you do all the washday work.

It can wash your clothes in an automatic electric washer (and heat the water in your electric water heater) . . . then dry your clothes just the way you want them in a modern electric clothes dryer.

All you have to do is set the dials . . . and relax! See your electric dealer about an all-electric laundry—washer, dryer, water heater—for the kind of easy washday you've dreamed about.

## West Shore Notes

By NINA SLADE  
L. Ambert 5-7751  
P. O. Tahoma, Lake Tahoe

Old Man Winter finally settled up his delinquent account with a deposit of an 8-inch snowfall to put him in good standing. Whether we're indebted to the Paiutes, the cloud-seeders, or the scientific weather predictors, it was a grand sight to see. Just 2 years ago last Saturday, Tahoe got its first snow after a long, dry spell. History does repeat.

The tall Tahoe City tree is a beautiful reminder this time of year that 20 years ago it was saved for us who enjoy it now, and have enjoyed it over the years, by petition to the governor and the state department of public works, through the efforts of Judge Evelyn Bliss of Tahoe City and some 100 area residents. At that time this wondrous tree was found to be 500 years old and it towers 125 feet high. The big pine beamed for all to delight in last Sunday, draped with multi-colored

lights and the huge full moon turned on her pale golden light to add to its glory. Don't forget the party under the tall Tahoe tree the evening of December 18. Tahoe's Rotary Club sponsors this festive evening and their wives supply gifts which are distributed by Santa to children of the third to fifth grades. You'll hear School Superintendent Reynolds, Tahoe Lake choir caroling and there will be cheerful bonfires for frosty fingers and toes. This is a nice Tahoe tradition and everyone should enjoy this community Christmas festival.

Scout leaders from Auburn met last Wednesday to discuss the recruitment of some 14 or 15 additional Explorer Scouts to act as greeters and guides for the two weeks preceding the games at Squaw Valley. Explorer Scouts must be 14 or over to qualify. They'll greet the incoming athletes and escort them to their quarters, familiarize them with the valley's facilities and in general be good hosts to our foreign visitors. There will be 108 Scouts from this area doing this work during the games. Gary Burner, Sydney Byrd and Roland Mathewson of the Tahoe area are in this

group.

Lars and Cora Joan Haugen of Minneapolis, Minn., sent Christmas greetings to Marie Henry, and declined her gracious invitation to visit her, saying it was too far to come for the games. Lars will be remembered by many at Tahoe as a champion ski jumper and instructor here during the 20's and 30's, on the old Olympic Ski Hill at Tahoe City. Lars had much to do with making many of the area residents ski-minded. He and Cora send warm greetings to all their old friends and acquaintances, and are joined by Casper Oman, also well known here. Lars and Cora are retired now and Lars is a busy gardener in season.

The Corpus Christi Guild had a breakfast meeting immediately after mass last Sunday at Tahoe Inn.

Mr. and Mrs. Angie Bonino and young Brent are at Tahoe City for the holiday season after a stay in the south.

Stores and shops at Tahoe and in the valley are bustling with Christmas shoppers and business is reported brisk.

The Chris Burners are just back from a wonderful vacation which took them south as far as Ensenada, Mexico, with many stops en route to visit relatives and friends. Grant, Gary, Chris and Mike and their dog Snowball went along. The boys enjoyed four wonderful days at Disneyland. The Burners visited his sister, Mrs. Elsie Verdugo of Alhambra, whose husband's ancestors received one of the first California land grants. They hadn't seen each other in some 15 years. Chris' uncle, Waldo de los Rios, whom they saw, was city treasurer of Los Angeles years ago, but has retired and now owns a Mexico beach resort.

The Tahoe Lake School Christmas party for the kindergarten set through the fifth grade will be Monday night, December 21. The

sixth, seventh and eighth graders will celebrate theirs on Tuesday, the 22nd.

Troop 27, Boy Scouts are busy on a program scheduled for January 19 to entertain their parents.

Tahoe City Elks are sponsoring an Explorers Club at the lake. They need to enlist enough boys to get a charter. President Dick Brenner says there are three Explorers in Tahoe Troop 22, but six are needed for a charter.

Saturday night saw many cars skidded off the road, hauled on hills and generally immobilized by those who drive too fast on snow and try to take curves without slowing down.

The Placer County Board of Health met last Monday in Auburn with 100 per cent attendance, according to member Marie Henry.

This Friday there will be a meeting at the Tahoe City Community Center to reactivate the old Lake Tahoe Ski Club. All those interested are urged to attend.

Mrs. Gertrude Wilt just returned from a short trip to Rio Linda visiting her sister Mrs. Hazel Palmer and her son, Warren Blodgett and his wife Eleanor.

Billie Wisdom, John Finnegan, of the Tahoe Inn and Steve Korich and wife of Lake Forest went down to San Francisco last weekend for the 49ers game.

Ran into a man trying out one of the "develop-on-the-spot" cameras Sunday. He was pretty baffled by the photo he got when he took a shot of the first snowstorm of '59 at Tahoe. The picture was a pure white square.

Bob Williams was busy at the Tahoe Inn bar as the place overflowed with skiers and visitors lured by the first flakes of snow.

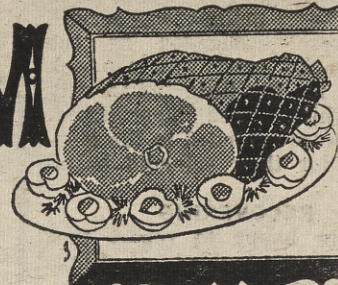

Practice sessions for Christmas (Continued on Page 8)

## WHAT'S DOING

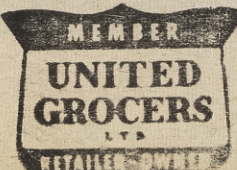

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

Imagine circling the earth for 2000 years! I see where scientists say Vanguard I may last that long. But did you know two things circling with the satellite came from scientific research for your phone? They're transistors and solar batteries, both invented at Bell Telephone Laboratories, our research center. They team up to help Vanguard's radio send messages back to earth. The transistors act as amplifiers, and solar battery cells supply power from sunlight. Here on earth, solar batteries are still experimental as far as telephones go. But transistors help speed your out-of-town calls by automatically helping to pick the right voice path. So you see, the same telephone progress that helps us improve your service is also helping science explore outer space.

Here's an idea for a practical Christmas present that will really please someone in your family: an extension telephone. You can get a desk set like this one or a wall phone in many attractive colors. Could be just the thing for Mom's kitchen, or Dad's workshop. You can find out all about extension phones at our business office.

"If the Universe, Including Man, Evolved by Atomic Force?" will be the subject of the lesson-sermon at Christian Science services Sunday.

Matthew's account of Christ Jesus' stilling of the tempest (8:23-26) will be included in the scriptural readings.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (134:26): "Jesus said: 'I knew that Thou hearest me always; and he raised Lazarus from the dead, stilled the tempest, heal-

## NORTH TAHOE

By JUDGE HARRY CHARRISON

## WEATHER

Oh, what a change from the hot sunshine. Saturday morning was beautiful but by noon clouds began to form with a brisk wind making it pretty cold. About 3 p. m. a miniature snow storm developed, sticking to the ground. Many motorists were stalled on all highways. To add to their troubles chains were mandatory even with snow tires. The Brockway Hill and Dollar Hill are a menace in icy weather. We wish something could be done about them before the tremendous amount of traffic starts from Squaw Valley to Crystal Bay. Our local drivers should be extremely careful and courteous to the tourists we will have.

## NEW FIRE TRUCK

Just talked to Curly Mason regarding a beautiful sight standing outside of his fire garage and service station in Kings Beach. A big white fire truck has been purchased for the North Tahoe area. It is a beauty. Even my daughter would like to have it parked outside our house. At your first opportunity go and see it, Curly will be glad to tell of its wonderful mechanism. The North Tahoe Fire Control has certainly gone to the top of the ladder in the process of firefighting. A great deal of credit is due to the faithful firemen who have stayed with this very important necessity. Congratulations to Curly Mason and the men of the community.

## TIME MARCHES ON

Last Sunday we found Ruth Lavery standing up well under the pressure of another birthday and it was a very happy day. We wish you many more and we mean happy ones too. Had a letter from Kenny Lavery and in about four months he hopes to be discharged from the navy and back to the lake. It will be nice to see him.

## NEW HOMES

While driving around the side streets of Kings Beach we were surprised to see the great number of new homes that have been built

ed the sick, walked on the water. There is divine authority for believing in the superiority of spiritual power over material resistance."

The Golden Text is from Isaiah (45:5,12): "I am the Lord, and there is none else, there is no God beside me: . . . I have made the earth, and created man upon it; I, even my hands, have stretched out the heavens, and all their host have I commanded."

## CHURCH CHRISTMAS PARTY

Friends and guests of the Truckee Bible Church plan to enjoy a Christmas potluck dinner Friday evening at 7 o'clock in the home of Mr. and Mrs. Vincent Mahon. After the dinner hour a time of singing is planned to the accompaniment of the new portable chord organ that the church has purchased.

## GETS APPOINTMENT

H. B. (Bob) Fowler, formerly sergeant in charge of the Truckee office of the California Highway Patrol, has been given a six months probationary appointment as sergeant on the Placerville police department.

and in construction. By the way the new county court house this side of Tahoe City is fast nearing completion an is to be quite an imposing looking structure. It is expected to be ready soon after the first of the year. We hope so anyway.

## FELL ON ICE

Little Leta Louise LaBorde, daughter of Slim and Icy LaBorde slipped on the ice injuring her back and is under doctors care. It is a shame for her as she was to become a Rainbow Girl tonight, Monday. We hope Leta Louise will be out again very soon.

## FELIONS

The Lake Tahoe Felions enjoyed a big Christmas party at the Walt Mandeville home at Incline Beach last Friday night. It was a swell affair. Tasty potluck was served. Gifts were exchanged by the members and guests who also took presents for the little Indian children which were appreciated. Thanks were extended to the Mandevilles for their splendid hospitality.

## RECOVERING

We are happy to report that young Jerry Jenkins of Kings Beach is making a remarkable recovery since his very serious auto accident of several weeks ago.

## IMPROVING

Dave Hall, highway employe at Kings Beach, is back in the Washoe Medical Center for another operation. Mrs. Hall reports that he is recovering nicely.

## DONNER DOINGS

By VIRGINIA O'BEAR

Well, after Saturdays snow it kind of looks like we might have a white Christmas after all. It was so beautiful seeing the large flakes of snow drifting down slowly and staying on the ground. People from the big cities must have piled all of their children and their neighbors children in their automobiles and headed for the hills because I never saw so many people on the highway since the busy summer months. Everyone seemed to have a ball making snowmen, that is all of the young ones. The fellas operating the chain business certainly got a workout. Let's hope we get some more of that wonderful snow.

All residents at Donner Lake should remember a very important date and put in an appearance at the Tahoe Truckee High School

COMPLETE VISUAL CARE  
DR. MARVIN I. SCHWARTZ  
OPTOMETRIST  
TRUCKEE  
LUTHER 7-3472  
KINGS BEACH  
LIBERTY 6-2139

on January 11. The Nevada County Planning Commission is making a special trip up here to have this meeting concerning the zoning of Donner Lake. It is to the advantage of all home owners as well as the business people so if you are interested in the future of Donner Lake make it a date to go to this meeting. Time will probably be around 7:30 and in case the meeting place is changed, you will be notified in this column.

A Christmas party is scheduled for this Thursday evening at 7:30 at Donner Lake Lodge. The Ladies Auxiliary of the Donner Lake Volunteer Fire Dept. will get together for dinner and have a gift exchange to celebrate a very busy and successful year. Each person attending should remember to take a gift not to cost more than one dollar. A very pleasant evening is being planned by hostesses Mrs. Virgil Harris, Mrs. R. L. Harris and Mrs. L. Brooke. Let's all go and take a friend or neighbor and just relax and have some fun after the busy year we have all had.

Have you noticed the beautiful Christmas tree that is all aglow every night at the Donner Lake home of Dr. and Mrs. Robert A. Feldt? It is a huge one several yards from the highway and can

## AUXILIARY AWARDS DOLL AT MEETING

CRYSTAL BAY—Sophie Levra, president of the V. F. W. Auxiliary No. 7077, Lake Tahoe, wishes to announce the recipient of the 21-inch doll and her wardrobe, given away on Wednesday, December 9, was Mrs. Alma Christensen of Tahoe Vista. Mrs. Christensen has two pre-teen daughters.

The doll project created a great deal of enthusiasm and a bit of disappointment as it seemed almost every girl in the area had her heart set on receiving it. It is hoped a similar project will be undertaken again next year by the Auxiliary.

A special thank is expressed by Mrs. Levra to Ray Porath, Kings Beach Variety, Bob Molsberry, Town & Country Variety, Crystal Bay Club, Bill Mizner, Stop n Shop Market, Jo's Beauty Salon and to the volunteers and members, who all helped to make the doll project a very successful one.

**LICENSE**  
SACRAMENTO—(CNS) — The Contractors' State License Board announced it plans to issue a general electrical contractor's license to Robert J. Cowing, B. J. Parker and Ralph E. Harrington, Tahoe Electric Co., Tahoe City, if no protests are received by Dec. 22.

## LAKE MAN HURT

John Russell King of Crystal Bay, Nevada, a passenger, was one of six persons injured last week in a two car collision on Highway 50. Mrs. Irene Edison, 36 of Al Tahoe, a passenger in one of the cars suffered fatal injuries.

be seen for quite a distance. I talked with Joan the other day and she has been busy cooking up all kinds of goodies and putting them in the freezer because they are having a large family reunion around Christmas time. They are having so many in for the reunion that they rented all the units in a nearby motel for this special occasion.

We are sorry to lose the Irwin Lund family from the west end of Donner Lake. They are moving to Virginia Roberts home at the east end of the lake so we won't get to see them as much any more. The home they were living in was sold to a ski club so they had to move just before the busy holidays. I hope they get settled and have a nice Christmas.

Mr. E. J. Arch was a visitor at Donner Lake last week. He spent an entire day here visiting with different people and getting their ideas on what they think and want for postal service. We had quite an interesting talk concerning the situation. I am trying to help with the future of Donner Lake and since I use this column to represent the feelings of people living here, I hope my readers won't misunderstand and think I'm trying to run things. Since I have been writing for Donner Lake, people come to me to get things going and whether I think they are right or wrong, I'll do it. They are working for the future of Donner Lake, so I'll do all I can, to help. Mr. Arch is postal inspector from Reno and will do what he can.

# TAHOE TRUCKEE SCHOOL NEWS

**KINGS BEACH SCHOOL**  
**KINDERGARTEN:** Byron Harrell has joined our A. M. class. He is from Sacramento. Cynthia McDonald has moved to Las Vegas. Sharon Heise, Kathy Klockman and Maira Price have finished their "Star-Mobile" project. Robby Languth, Van Miller and Ricky Prouty have been making aluminum foil Christmas tree ornaments.  
**FIRST GRADE:** Warren Quarty surprised the class with a beautiful Christmas tree. We are now making decorations for it.  
**RONNIE SERGI** has just returned from a five week vacation. Terry Waincoat is still on vacation with her family.  
**SECOND GRADE:** Bruce Harrell and Glenn Small are the two new boys in our room. This brings our enrollment to thirty-seven.  
**THIRD GRADE:** The class is working on Christmas decorations and pictures. Mrs. Corbin demonstrated the making of "Kissing Balls" made on balloons.  
 We had 13 perfect spellers this week plus five who received gold stars for improvement from last week. The names of these are: Donna Martin, Karen Mally, Lyle Draney, Pat Plevel and Ardeth Hampton.  
**TAHOE LAKE SCHOOL**  
**KINDERGARTEN:** The kindergarten children had their first lesson in lacing this week when they made a Santa Boot. They did very well.  
**FIRST GRADE:** Tahoe Lake first graders have a bulletin board that shows the best star printing papers done during the week. This week the following students had their papers up: David Karcher, Julie Howard, Bob Zehm, Sherry Freeland, Mark Helton, Jackie Ghormley, and Carl Ruhkala.  
**SECOND GRADE:** Officers for

the week are: president, Sandra Smart; secretary, Sally Starratt. Almost the entire class made one hundred in their trial spelling test and they were excused from taking the final spelling test.  
**SECOND AND THIRD GRADES:** Mark Rivard brought us a lovely Christmas tree all sprayed gold. We have been making snow flakes and ornaments for it.  
 The following people have made one hundred per cent this week in spelling: Deborah Lawlor, Mark Rivard, Denise Kimball, Shirley Stark, and Gregory Hill.  
 Class officers this week were: president, Scott Broomhall; vice president, Matt Barrett; secretary, Billy Dutton.  
**THIRD GRADE:** Officers elected for next week are LeRoy Hammer, president; Mark Calhoun, vice president; Mary Brooks, secretary.  
**FOURTH GRADE:** The following children wrote clever Christmas stories and poems which are now on display in our room: Janet Jorgensen, Dianne McBride, Tommy Hoff, Anna Marie Connors, Denise Henriksen, Barbara Nielsen, Jim Caulkett, Jim Geyer, Alice Brandstrom, Vicki Broomhall, Tommy Easterly, Leah Howard, and Ann Starratt.  
**FIFTH GRADE:** One hundred per cent dictation grades were given to the following: Janet

Phillips, Holly Wall, Lynn Harper, Darlinda Stark, Gretchen Lawlor, Leigh Switzer, Carla Spears, Jimmy Becholt, Mike Keith, and Tad Hall.  
**SEVENTH GRADE:** The social studies reports are complete. The best booklets were made by Sharon Nyblom, Barbara Hampton, Kent Fugazi, Nancy Jo Bervid, Wendy Boatman, Celeste De Silva, Amy Arndt, and Gail Fitzgerald. Barbara Hampton, Barbara Hutchinson, and Bob Wells.  
**EIGHTH GRADE:** Perfect "A" spelling grades this quarter include: Gene Smith, Brad Thompson, Rickie Krips, Dean Denton and Joe Hoxsie. Top readers are: Rickie Krips, Loralyn Munson, Kim Molsberry, and Greg Thompson.  
**TOPS IN MATH:** are Bill Raikes, Rene Robert, Joe Hoxsie, Dean Handv, and Dean Denton.  
 Today's classwork in art shows the top artists to be: Loralyn Munson, Kim Molsberry, Dean Denton, and Madelyn Kammerer.  
**DONNER TRAIL SCHOOL**  
**PRIMARY GRADES:** The primary students of the Donner Trail School enjoyed very much attending the Christmas party presented by KFBK radio station Friday in the Truckee Theater. The children took time during the early part of the week to write letters to KFBK thanking them for such portions of the party as Santa's visit, the peppermint sticks and the movies seen.  
**UPPER GRADES:** The upper grade class has been decorating their room in preparation for the coming Christmas program.  
 The Christmas program will be held in the upper grade room because the stage is located in that section of the building.  
**TRUCKEE ELEMENTARY**  
**KINDERGARTEN:** Three members of our class have brought donations for our activity centers. Denise Clepper gave her plumber's outfit. Robert Capel brought a ball, and Steve Stone brought a shovel to go with the wheelbarrow.  
**FIRST GRADE:** On the second word vocabulary test Gary Grow had one hundred per cent. Dennis Dent and Nancy Rablin missed one word, and Gary Stone and Roxanne Brown missed two words. On the final pre-primer vocabulary test Joan Apple, Peggy White and Anne Hackett had one hundred per cent. Sharon Ford missed one word, and Nola Houlgate, Donna Horman and Debbie Jellin missed only two words.  
**FIRST AND SECOND GRADE:** In a recent vocabulary test the following children got a perfect score: Gray Paddock, Jean King, LaVon Mayer, Debbie Eckerman, and Joe Jaurequi. Virginia Strobel brought a Christmas tree for

the week are: president, Sandra Smart; secretary, Sally Starratt. Almost the entire class made one hundred in their trial spelling test and they were excused from taking the final spelling test.  
**SECOND AND THIRD GRADES:** Mark Rivard brought us a lovely Christmas tree all sprayed gold. We have been making snow flakes and ornaments for it.  
 The following people have made one hundred per cent this week in spelling: Deborah Lawlor, Mark Rivard, Denise Kimball, Shirley Stark, and Gregory Hill.  
 Class officers this week were: president, Scott Broomhall; vice president, Matt Barrett; secretary, Billy Dutton.  
**THIRD GRADE:** Officers elected for next week are LeRoy Hammer, president; Mark Calhoun, vice president; Mary Brooks, secretary.  
**FOURTH GRADE:** The following children wrote clever Christmas stories and poems which are now on display in our room: Janet Jorgensen, Dianne McBride, Tommy Hoff, Anna Marie Connors, Denise Henriksen, Barbara Nielsen, Jim Caulkett, Jim Geyer, Alice Brandstrom, Vicki Broomhall, Tommy Easterly, Leah Howard, and Ann Starratt.  
**FIFTH GRADE:** One hundred per cent dictation grades were given to the following: Janet

**TAHOE WEATHER**  
**TAHOE CITY:** With seven gates partly open, the level of Lake Tahoe Monday was 6225.18, subject to revision. There were three inches of snow on the ground Monday from the storm which left five inches Saturday with 27 of an inch of precipitation. The temperature varied from 11 to 49 degrees during the week.  
 The Empire State Building in New York City, 1472 feet, is the world's tallest building.  
 our class.  
**SECOND AND THIRD GRADE:** These people were best spellers this week: Steven Rose, Sandra Ferdinand, Claudia Rhoades, Kathy Goicoa, Melanie Anderson, Donna Gomola, Larry Doyle, Dottie Kirk, Kathy Barrett, Carl Mahon, Deborah Harris, Jim White, Ben King, Mary Manley.  
**THIRD GRADE:** Two of our boys had birthdays on the eighth, they were Justus Spillner and Kenneth Weiler. Excellent special reports were made by Curt Mullis, George Francheschini and Curtis Melugin.  
**FOURTH AND FIFTH GRADE:** Carol Brown, Nancy Randol, and Pam Horman for the fourth graders Gail Englehart, Beverly Holleman, Cam Houlgate, Craig Mullis, Dennis Richards and Garee Lynn Stewart for the fifth graders scored one hundred per cent in spelling. Gail Englehart, Beverly Holleman and Craig Mullis were the one hundred per cent in arithmetic. On Thursday, Mr. William A. Householder presented a must educational series of colored films taken in Europe, Panama and the Near East. Jerry Householder was the commentator for the Panama series.  
**FIFTH GRADE:** Top dancers in a recent dance staged by the fifth graders proved to be Darlyn Doolittle, Patsy and Lonnie Tania, Shirley Conston, and Bruce King. Pat Merica and Don Whiteneck also proved to be fancy steppers.  
**EIGHTH GRADE:** Monday we decorated a tree that Candy Board brought. Monday there was a class election and Richard Sorani was elected president; Harry Chandler, vice president; Evelyn Hintz, secretary; Jim Randall, treasurer; and Tim Stark, sergeant-at-arms.

The California Bulb Growers Association, with headquarters in Los Angeles, was organized in 1947.

**UNION OIL COMPANY OF CALIFORNIA**

True the whole world over

Each region of the world, each period in history, has recorded knowledge of the art of brewing. Authorities have found that, while brewing methods varied, one ingredient remained constant wherever beer of exceptional quality was made. The one priceless ingredient was water.

Whether it be the British Isles or the Continent, the Old World or the New... the character of the brewing water is largely responsible for the excellence of the beer. That is why Olympia Beer has gained such fame! Water that is naturally perfect for brewing flows from Olympia's own artesian wells. It is this rare brewing water that achieves for light Olympia Beer good taste that is refreshingly different, yet always just the same.

the one priceless ingredient

"It's the Water"

## DONNER DOINGS

By VIRGINIA O'BEAR

**GRAND OPENING**  
"Christmas in June" was the theme for the fashion show honoring the official opening for the 1959-1960 winter season of the Soda Springs Hotel. Winter sport clothes from the Zorich Ski Shop of Soda Springs and Howey's of Reno were shown by local models. Mrs. Fran Couillard who will manage the hotel this season commented on each outfit. Throughout the colorful show Mrs. Francis Dragoo of Big Bend ranger station played Christmas songs on her portable electric organ. The showing included garments for all ages from pre-school to adult sizes. Warm under garments for the skier were shown as well as glamorous evening clothes. The models were Robin Board, her mother, Mrs. Betty Board, and Beverly Cardwell all of Sugar Bowl. From Soda Springs were Tommy Gangler, Barbara Lyddane, Debby and Tommy Zorich, Betty Aro, Max Williamson and Dick Thorp. Models from Kingvale were Kate Zoll, Gloria Reed. Norm Saylor came from the Donner Ski Ranch. Following the fashion show the Soda Springs Hotel served a delicious buffet supper to its guests. The evening con-

cluded with a group song fest. Many visited the newly completed beer garden located in the basement of the hotel.

### ICE SKATING

Cold nights for the past week have frozen ice six to eight inches on portions of the South Fork of the Yuba River. The Zoll residence in Kingvale has been the headquarters for ice skating. Outdoor lighting has been put up to provide evening skating parties.

### SNOW QUEEN OPENS

Saturday, December 12 the Snow Queen Coffee Shop in Soda Springs officially opened for the coming winter season. The dining room has been entirely redecorated by owners Ilsa and Slim Bisson to begin this years season. The Bissons plan soon to hold an open house for the local residents.

### MONROES ON VACATION

Mr. and Mrs. James Monroe of Norden and their daughters, Christine and Cathy, have taken a trip to Morgan, Utah, where they will visit Mrs. Monroe's parents, Mr. and Mrs. Rollins. Later they will journey by train to parts of Wyoming to visit with Monroe's family. The Monroes do not expect to return until after the holidays.

### SCHOLARS LABOR

The past two weekends have seen some real activity around the Scholars Ski Club Lodge. Last winter their unique plumbing system did not function satisfactorily so this problem has been reme-

died. Their sleeping area is also being enlarged.

### CHRISTMAS PARTY

Final preparations are being made for the Community Club Christmas party to be held Friday, December 18 at the Donner Trail School. The entire student body will provide a program for the club members. A visit from Santa Claus is expected and refreshments will be served by the mothers.

### LYDDANES MOVE

Mr. and Mrs. Vince Lyddane and their daughter, Barbara, have moved from their home to the Misner cabin in Soda Springs where they will be until spring. Occupying their home during the winter months will be the members of the American River Junior College Ski Club from the Sacramento area.

### WEATHER

Snow at last! Saturday at approximately 2:30 snow began to fall and continued until about 12 Saturday night.

The willow ptarmigan is Alaska's State bird.

## TNT TIDINGS

By SHERRY THATCHER

Bids for the Christmas ball "Fantasy in White" will be on sale until Friday, December 18. Students are urged to get theirs now. This event will be an extravaganza sponsored by the senior class. Students and their guests may attend as couples, only. A dance band has been engaged for the affair, which promises to be the highlight of the semester.

Suggestions from the student body on what they would like for the Teen Center were brought before student council last week. There were numerous suggestions such as checkers, chess, ping pong and pool, but what the kids want most to start off with is a place where they can meet and dance after the basketball games. It was suggested by the council that the center begin with that and then add to it later on.

Woody Ribal, the student body

president, received a letter from South Tahoe High School asking when the presentation of the rivalry trophy would take place. The council decided that since Tahoe Truckee won this, we would invite the South Tahoe student body officers to present it to TNT at the basketball rally to be held January 22 just before we play South Tahoe.

Incidentally, the trophy has arrived and stands in the show case by the front office. Be sure to see it when you come to the games. We are very proud of it. As yet it has not been engraved, but that will be taken care of as soon as possible.

In Student Council it was suggested and passed that the council members have a volleyball game at noon with the high school faculty. It was also suggested that this game the hat be passed for donations to the U. S. Olympic benefit.

BE CAREFUL WITH FIRE

### BABY BORN

Mr. and Mrs. David Dobrzynski of Tahoe Vista greeted their daughter, Diana Lynn who was born December 5 at Tahoe Forest Hospital. Her arrival weight was more than 7 pounds.

Of California's total table-wine production, 45 per cent comes from the San Francisco Bay region.

The ebony of Ceylon is black but a variety found in Jamaica is green.

Tahoe City Open Evenings Except Sunday

"How could that catty remark bother me so?"

**When your mind's upset, your car may be too!** Your thoughts can't be in two places at once. At the wheel, there's only one safe place for them—on your driving. 37,000 Americans died on our highways last year; 37 times that many were injured. The tragic toll might have been far less if every driver remembered this: a thinking driver is a safe driver... when his thoughts are concentrated on driving!

Published in an effort to save lives, in cooperation with the National Safety Council and The Advertising Council.

(Continued From Page 3)

Eve house-to-house caroling in Squaw Valley will end with the Dec. 23 meeting in the lobby of the Squaw Valley Shopping Center. Musical accompaniment and words for the familiar carols will be available. Children are wel-

come, too.

December 20 is slated as opening day of the General Store at Squaw Valley, just in time for the holidays.

The Tahoe Lake School PTA sponsored movie Saturday afternoon enjoyed a good attendance of

children and mothers. When the storm broke it caused a bit of curiosity and unrest, so great was the excitement about the long-awaited falling flakes. Next Saturday's PTA movie will be "The Young Mr. Lincoln."

The Stan Goodes enjoyed the first snow at their Homewood

house.

Despite the storm Saturday afternoon the fashion show at the Bear Pen at Squaw Valley was well attended.

Mrs. Lucy Butler of San Francisco spent some time at Squaw Valley last week inspecting the installations and buildings.

Mrs. Hannah Corona, wife of Postmaster Ollie Corona, Tahoe City, is heading up the new post office facility at Olympic Valley in the Athletes Center.

Thirty Tahoe City Brownies were given a guided tour of Squaw Valley when they met last week.

North Tahoe Lions met at Crystal Bay last Tuesday and were joined by a group of Tahoe City Lions for a district meeting.

Tahoe Lake School kindergartners are practicing Jingle Bells which they will play on percussion instruments at the school Christmas party.

The Albert Fangers have moved from their lodge across the road to their "Peek-o-Blue" home on the lakeside.

Mr. and Mrs. Irving Williams of Rubicon Properties are now at their Palm Springs home.

The 34 flag standards are reaching skyward at the cross-country reviewing stand in Tahoe.

Mr. and Mrs. Harry Lane of Folsom drove up to Tahoe for the day last week.

Some 1200 guests are expected at the Tahoe Squaws benefit buf-

**NEVADA COUNTY IS ALLOCATED \$26,794**

SACRAMENTO—(CNS)—Nevada County gained \$26,794 as its share of highway users taxes collected in October and apportioned in November. State Controller Alan Cranston announced today. The three-way split between

county, cities and the state highway fund was \$30,582,827, with \$20,483,347 going to the highway fund, \$7,268,083 to the counties and \$2,831,197 to the cities. Distribution showed an increase of \$938,299, or 3.32 per cent, over November, 1958.

Everyone is shocked and saddened to learn that ski champ Buddy Werner had the misfortune to break his leg during practice training for the Olympic squad at Aspen, Colo. This is surely a tragedy for the U. S. team, since this puts Buddy out of the games.

The Wayne Jacksons of Tahoma and Auburn celebrated their silver wedding anniversary on Dec. 8. Sue Jackson was surprised and delighted with a gift of a silver coffee and tea set from Wayne. Welcome and daughter Sue. Mr. Jackson is with the Soil Conservation Agency in Auburn and has been chosen to attend an administration course in Sacramento in February.

Mike Mariana and Ken Fincher of San Diego drove up to Tahoma for a few days last week to work on Mike's new home in Westlake Village. Unfortunately, Ken suffered an acute illness during their first night and after two days in the hospital, the men had to return to San Diego.

Everyone is shocked and saddened to learn that ski champ Buddy Werner had the misfortune to break his leg during practice training for the Olympic squad at Aspen, Colo. This is surely a tragedy for the U. S. team, since this puts Buddy out of the games.

**MUSCLE RESEARCH CENTER OPENS**

Formal dedication ceremonies marked the opening this fall, in New York City, of the Institute for Muscle Disease, the first research center in the world devoted exclusively to the study of muscle and its pathologies. This ultra-modern laboratory complex, built and equipped at a cost of more than \$5,000,000 was made possible through public contributions to the MARCH FOR MUSCULAR DYSTROPHY, annual fund-raising appeal of Muscular Dystrophy Associations of America, Inc. The Institute, which is already in partial operation, is recruiting top research talent for a concentrated scientific attack on muscular dystrophy and related neuromuscular disorders afflicting millions.

**RARE TAHOE MAP IS  
PRESENTED COUNCIL**

LAKE TAHOE — An almost priceless Lake Tahoe topographical map published in 1881 has come into possession of the Lake Tahoe Area Council through the generosity of Robert A. Allen of Carson City, Nevada. Answering a general appeal for historical material from the council, Allen, retired former chairman of the Nevada Public Service Commission, former Nevada State Highway Engineer, and long-time Nevada resident, donated an exceptionally complete file of engineering data to the council.

Based on expeditions in 1876 and 1877 commanded by First Lieutenant George M. Wheeler, U. S. Army Engineer Corps, the map is a finely detailed masterpiece of rating. It bears the legend "Reproduced by heliogravure, Imp. Royal Geographical Institute, Vienna, 1881."

The so-called "Wheeler Survey" has long been highly valued by geographers and students of the Lake Tahoe area, and the map—especially the Vienna reproduction—is prized by researchers.

The map shows the lake surface at 6,202 feet above sea level, some 20 feet below the present level. It also shows many different names for commonly known points on today's maps, but perhaps the outstanding differences are in the lake's shoreline contours. These changes are valuable to researchers to show how both man-made and natural influences have altered the lake's margins.

Aside from the Wheeler map, other valuable items in the donated Allen material include several original lake area land studies circa 1913, many early property surveys, a number of highly significant water right studies, and several cross-sections of the Lake Tahoe rim outlet into the Truckee River.

**HUGE BUILDING PLAN  
OUTLINED BY STATE**

SACRAMENTO—(CNS) — The state Division of Architecture announced it plans to begin \$150 million worth of state construction in 1960.

The building program will include colleges, penal institutions, hospitals, office buildings and other facilities. It will require 3,750,000 man days of labor by the construction trades. In addition, it will require more than 2,750,000 man days of labor to manufacture the construction materials used in the program.

Some of the materials to be required in the program included 38,250 tons of reinforcing steel and 12,375 tons of structural steel; 600,750 cubic yards of concrete; 36,660,000 board feet of lumber;

and several cross-sections of the Lake Tahoe rim outlet into the Truckee River.

All the maps, charts, and other data will be preserved in the Lake Tahoe Area Council research files and used for reference in the many lake basin studies under way and planned for the future. The data will also be available to council members and to agencies cooperating in the work of the council.

The Wheeler map will be placed under glass and framed immediately for its protection.

**S. P. Will Operate  
Olympic Specials**

Southern Pacific will run special trains to the Winter Olympics on at least six of the eleven days of competition, the railroad reported today.

C. E. Peterson, SP's vice president of passenger traffic and public relations, said the present schedule calls for trains to be run on February 18, opening day, and on the 20th, 21st, 22nd, 27th and on closing day, the 28th.

Connecting buses will leave San Francisco's Third Street Station at one minute after midnight for the 16th Street Station in Oakland where train departure time will be 12:35 a. m. Arrival time at Truckee will be 7 a. m.

Special Greyhound buses will take passengers the 11 miles from Truckee to Squaw Valley, Peterson said, arriving at the Games' site at approximately 8:30 a. m.

It will be necessary to make seat reservations in advance, Peterson cautioned.

"The trains will be made up of lightweight, streamlined chair cars with a lounge car, a hamburger grill car and a baggage car for ski equipment. Light breakfast or supper will be served continuously in the grill car, and beverages will be served in the lounge car up to 2 a. m."

On the return trip, the bus will leave Squaw Valley at about 4:30 p. m. and the train will depart Truckee at 6:15 p. m. Arrival in Oakland is scheduled for 12:15 a. m. and in San Francisco, 12:45 a. m.

Arrangements for the purchase of admission tickets to the games can be made through SP ticket agencies all over the west, Peterson said.

Water, range, wildlife and recreation in timbered areas add greatly to California's forest wealth.

5,912,250 common bricks; 2,571,600 square yards of lath and plaster; 1,438,500 square feet of glass and glazing;

159,600 gallons of paint; 13,875 doors; 11,340 kegs of nails; 31,950 steel doors and 10,050 aluminum doors; 10,800 plumbing fixtures; 117,750 light fixtures; 647 miles of miscellaneous pipe; 6,450 miles of copper wire; and 198,750 miles of duct work.

### TNT CUBS DECISION QUINCY QUINTET

By CRAIG BECK

Paced by Bennie Ferrari and John Holley, the TNT Cubs spurred to an 11-point lead over the Quincy JV's, and hung on for a 51-42 decision last Friday night.

The Trojans were never in contention after the first quarter, as the potent scoring and rebounding of Ferrari, Holley, Dave Decker, Doug Baxter and Terry Walker increased their lead to 31-11 at the half.

The Quincy threat was in the late stages of the game when Quincy scored 20 points in the final quarter while holding the Cubs' reserves to only two.

Ferrari led all scorers with 16, including a perfect 6 for 6 from the free-throw line.

Decker trailed with 14 points including a clutch basket in the final quarter to help stall the Quincy comeback.

A big help to the Cubs' cause was the excellent rebounding of Doug Baxter and John Holley who gathered in 11 and 12 points respectively.

All in all it was a fine team effort by an inspired JV club which has the capacity to hustle an opponent right off the floor.

Coach Andy Baumgardner said: "It is very gratifying to see these boys hustle and scrap for the ball as they do. An opponent might run up a higher score on a given night, but they will never really beat these fine competitors. I was particularly pleased with the performances of many reserves: most noticeably Kris Felle, Willie Wilbur and Carl Gustafson."

### WOLVERINES

Continued from Page 1

Captain Jack Prock continued his scoring binge and shoved in seven straight points, mostly on the fast break which featured long baseball passes attempting to get the ball past the glue-like Wolverine press.

Only some sterling defensive tactics by center Bob Merica thwarted this Quincy move as he stole pass after pass and accounted for more than one blocked shot before he left the game via the foul route, along with Bill Notley and Ryser.

Replacements Marty Kumble, Jim Loynd and John Olinghouse proved able enough to halt any further Trojan threat, and victory number one was there for the Wolverines.

Several outstanding individual performances were recorded. Ryser's 20-point outburst represents the season high for any one player in a game. Bill Notley and Bob Merica's hustling and aggressive defense bears some mentioning, and probably the best all around performance on the floor was by Quincy's Jack Prock who combined excellent scoring ability (15) with fine floor play to keep the Trojan five from becoming unglued altogether.

The Wolverines travel this Friday for a return engagement with the powerful Sparks Roadrunners. Both the Varsity and the JV's will be attempting to revenge earlier defeats by Sparks. The Roadrunners have been dumped twice since clobbering the locals, and Coaches Neil Gates and Andy Baumgardner would like nothing better than to add insult to injury.

**Wedding Date—**  
Mr. and Mrs. Dave Rose observed their wedding anniversary, December 7.

### VFW AUXILIARY IS HOST TO RENO VETS

CRYSTAL BAY — Members of the V. F. W. Ladies Auxiliary No. 7077, Lake Tahoe hosted a bingo party for the pre-Christmas entertainment for the 160 patients at the Veterans Hospital in Reno, Thursday, December 10.

Four bingo games were played and canteen books given as prizes. One of the winners was Past District No. 17 Commander Hagen of California. Post No. 7077 member, N. T. Murray states that post members who knew Commander Hagen and wish to visit or send cards can contact him in Ward 3-B, Room 312.

Ethel Antonsen, V. F. W. Auxiliary hospital chairman, wishes to express her sincere thanks in behalf of the patients and Skip Willis, V. A. Hospital Director and Auxiliary members to the following: Mrs. "Slim" La Borte of the Crystal Bay Club for 24 decks of playing cards, Miss Shirley Wagner and Mrs. Frank Wagner for 150 phonograph records and to Commander Bob Moore, Post No. 7077 for the jig saw puzzles and bones of new Christmas cards. Refreshments of ice cream and cake were served by Mr. and Mrs. L. Dunklee following the bingo game.

Those attending were President Sophie Lepra, Vera Woods, Pearl Francis, Ethel Antonsen, Mae Murry, N. T. Murray, Bernadine Spavor and Pearl Moore.

**License To Wed—**  
F. M. Moore, 38 and Barbara Larson, 27, both of Kings Beach were issued a Reno marriage license.

Since 1910 more than 29,500,000 boys and men have been in the Boy Scouts of America.

### ASSUMPTION GUILD HAS YULE PROGRAM

The Assumption Guild members and their families enjoyed a gala Christmas party at the parish hall Sunday night. The program of games and singing was highlighted by a choir in robes holding a lighted candle singing Christmas carols.

The singers were Dorothy Buehler, Marie Reichlin, Winifred Maynard and Barbara Eckerman accompanied by Mrs. Toccalini and directed by Milla Johnson. A humorous recitation was given by Winifred Maynard. Mr. and Mrs. Joe Reichlin entertained with several Swiss yodeling selections and Father O'Neill sang several Irish songs to the enjoyment of all present.

At the end of the program gifts were exchanged. Refreshments were cookies, coffee, punch and a beautifully decorated cake by Barbara Eckerman featuring a Santa Claus starting down a chimney. The hall was appropriately decorated by Louise Sassarini, Rose Waters and Mary Sturcke.

### McMAHON WILL HOST GAMES DIGNITARIES

TAHOE PINES — Sunday evening at the home of Robert J. McMahon, community relations director of the V111 Olympic Winter Games, in Tahoe Pines, a cocktail and smorgasbord party will be held for directors and wives of the organizing committee and prominent civic leaders of Lake Tahoe and Reno.

The party will be attended by some 65 guests.

The occasion will start as the first of several planned Olympic Winter Games social events that will welcome athletes from some 34 foreign nations to Squaw Valley for this great international event.

The smorgasbord will be prepared by the Misses Linnason and Winterberg, of Upsala, Sweden, who are presently with the Walt Disney staff in residence at Squaw Valley.

### HEARING IS CALLED TO DISCUSS VALLEY

Assemblyman Jesse M. Unruh of Los Angeles, chairman of the assembly interim committee on ways and means, has announced a committee hearing will be held on Squaw Valley in San Francisco in early January.

"My committee," Unruh said, "is interested in the costs of developing the beaches and parks, and Squaw Valley is expected to be an important unit in this system."

Unruh said that since \$7,990,000 of state money has been spent on development of the valley for use as the Winter Olympic Games site, he is anxious to insure that the people of the state "receive full value for their investment."

### NIKKI WING EDITOR OF COLLEGE PAPER

A new magazine "Viewpoint" is being prepared for a publication date, it was announced by members of the Sierra College Literary Club.

Edited by Nikki Wing, a Sierra sophomore from Tahoe Truckee High School, the first edition will contain 40 pages. A second issue is planned for late in the spring semester.

Contents will include poetry, and articles of fiction and fact, with the emphasis to be on philosophy.

# Tarzan

by EDGAR RICE BURROUGHS

WITH THE BATTLE AND FLOOD OF THE ROGUE CAMP BEHIND HIM, TARZAN AND THE TINI-TINI WOMEN HEAD FOR THE HIDING PLACE OF THE LAST COLONY OF GREAT APES...

THE ANCIENT MARINER'S LEGS ARE PARALYZED, HIS MIND SHATTERED BY HIS EXPERIENCES... TARZAN KNOWS ONLY THAT HE CALLS HIMSELF 'OLD CAPPY'.

"...O, I LOST MY SHIP AT TH' HANDS OF PIRATES! O HO! HO! AND A BOTTLE OF TONIC..."

LET'S REST HERE, HUMO... THERE ARE WILD GRAPES - WE'D BETTER FEED THE WOMEN AND OLD CAPPY!

SO NOW OLD CAPPY'S SAILIN' TH' JUNGLE-- AND HE DON'T KNOW WHERE HE'S GOIN'!

AS HUMO PICKS GRAPES, HE SUPPENLY STIFFENS-- FOR, IN A TREE NEARBY, HE SPOTS THE SUNLIT JET BODY OF A BLACK PANTHER!

HUMO ACTS QUICKLY--

...AND GRABS THE CAT BY THE TAIL--

TARZAN!

HOLD TIGHT, HUMO! GIVE ME ONE GOOD SHOT AT HIM!

IF OUR PARTY IS GOING TO WIN THIS ELECTION, WE'VE GOT TO GO WITH A MAN ABOUT WHOM NOTHING EVIL IS ACTUALLY KNOWN! WELL, WE PICKED A NAME OUT OF THE PHONE BOOK-- AND NOW CHARLIE DOBBS IS OUR CANDIDATE FOR GOVERNOR!

PERMIT ME TO INTRODUCE MYSELF, MR. DOBBS. I'M TWEEDLY DRUM, CHAIRMAN OF OUR STATES FOREMOST PARTY.

PLEASED TO KNOW YOU, MR. DRUM. SOMETHING I CAN DO FOR YOU?

THROUGH A SCIENTIFIC PROCESS, WE HAVE SELECTED YOU AS A POSSIBLE CANDIDATE FOR OUR SUPPORT. FIRST, HOWEVER, I'D LIKE TO ASK YOU A FEW SIMPLE QUESTIONS!

FIRST, WHAT'S YOUR ATTITUDE TOWARDS TAXES AND FEDERAL HOUSING?

WELL, I ADMIT I HAVEN'T THOUGHT MUCH ABOUT EITHER---

SPLendid! A SIMPLE, DIRECT ANSWER WORTHY OF ABRAHAM LINCOLN!

AND NOW-- THINK, YOUNG MAN-- WHAT'S YOUR POSITION ON STATES' RIGHTS AND LABOR LEGISLATION?

THOSE ARE AWFULLY HARD QUESTIONS, MR. DRUM--

DID YOU HEAR THAT? THIS IS OUR MAN-- NOT A RASH CELL IN HIS RED AMERICAN BLOOD! THOUGHTFUL, THOROUGH AND LEVEL-HEADED!! DOBBS FOR GOVERNOR!

HOORAY-- THREE CHEERS FOR OUR NEXT GOVERNOR!

TO BE CONTINUED
